ART & DESIGN MAJOR B.A. in Art and Design Suggested Art History Minor

Department of Art & Design

This is a model for a three year graduation plan. Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, your choice of general education electives, and your choice of Minor.

This degree program can be completed in six semesters and 2-3 summer semesters depending if there is any dual credit from high school (*with 6 credit hours dual high school credit only needs 2 summer semesters or with 12 dual credits then only needs 1 summer semester; no dual credit, needs 3 summers which can start with the summer directly out of high school*).
